

This Unit has a Child Safeguarding Statement

Children and young people have a right to be **safe** when in our Units.

We have created a **Child Safeguarding Statement** to show how our volunteers help keep children and young people safe from being hurt or harmed.

The '**Relevant Person**' is the person you can talk to if you have any questions about our Child Safeguarding Statement.

IGG's '**Relevant Person**' is IGG's Safeguarding Manager who can be contacted on 01-6683898 or safeguarding@irishgirlguides.ie.

It is **never your fault** if someone is hurting you. There is always someone who can help you.

If someone is hurting you or you are worried that someone is hurting your friend or family... tell one of our Leaders here or tell an adult you trust.

This information is also available in other languages by scanning the QR code.
